ARENAC COUNTY BOARD OF COMMISSIONERS

P.O. Box 747 • 120 North Grove Street • Standish, MI 48658
(989) 846-6188

Moved by Commissioner Luce and supported by Commissioner Zygiel to adopt the following resolution:

**Resolution No. 2014-10
Residential Sprinkler Systems**

WHEREAS, the ability to construct new residential structures relies heavily on affordability; and

WHEREAS, the State of Michigan Residential Code Review Committee is currently giving consideration to regulations set by the International Code Council (I.C.C.) to adopt rules requiring the installation of residential sprinklers in all new residential structures.

NOW THEREFORE, BE IT RESOLVED, that the Arenac County Board of Commissioners would like to express its concerns with the adoption of I.C.C.'s recommended code due to the substantial additional cost of installing sprinkler systems within homes that do not have access to public water supplies and the possibility that such mandated requirements could cause a financial barrier to the construction of new homes within Michigan.

BE IT FURTHER RESOLVED, the Arenac County Board of Commissioners supports the current standard that permits the home owner to choose whether or not to install a home sprinkler system.
