FOR IMMEDIATE RELEASE

In response to the serious public health risks posed by COVID-19, at their meeting today the Board of Commissioners approved the following:

Barry County COVID-19 Operations Plan

In order to prevent the spread of COVID-19, Barry County and the Barry County Trial Court operations will remain available, however buildings will be closed to the public beginning Wednesday, March 18, 2020 through Sunday, April 5, 2020.

Anyone requiring county services must call the respective office before traveling to a county building.

All services that can be conducted alternatively (online or phone) or delayed shall be handled in that manner.

Public shall contact the office or court in which they have business in order to determine whether such business can be delayed, conducted over the phone or online.

Public conducting business with or requiring Court services shall refer to the "Barry County Trial Court Plan Limiting Access to Court Facility for Public Health Emergency" for details.

The County's main telephone number is 269-945-1400. Using the directory, persons will be able to contact County and Court offices.

If business must be conducted in person, appointments shall be required to be scheduled in advance with the appropriate department.

Please visit www.barrycounty.org for information regarding department services and for updates on the status of Barry County operations.

Those with scheduled appointments may be screened upon entering the building.

Questions may be directed to County Administrator Michael Brown at 269-945-1284.
