

ADVERTISING ON MICOUNTIES.ORG

Michigan's 619 county commissioners are collectively responsible for more than \$7 billion in spending each year.

These officials, and other county leaders and employees, are the primary audience for micounties.org, the website of the Michigan Association of Counties.

They can be your audience, too, if you advertise with MAC.

Submitting an ad

Online ads can be submitted at any time. It can take up to 72 hours from receipt of an ad and contract before the ad is placed. The advised resolution is 72 DPI; MAC accepts PNG, JPEG and GIF.

Paying for an ad

Clients are encouraged to pay upfront with a credit card at our digital payment portal at <https://micounties.org/macsc/>.

Refusing an ad

MAC reserves the right to refuse any submission that in its sole view does not conform with its standards and objectives.

Canceling an ad

MAC requires a 7-day notice for removal of a contracted ad.
