

MBUF/RUC: Restoring the link between road use, fair payment.

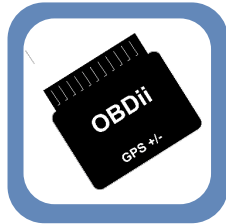

With EVs, other alternatives, road funding cost increasingly falls on older cars, trucks (rural and construction/ag/heavy trades). Less fair.

MBUF is per mile regardless of fuel efficiency of vehicle. Levels playing field.

Not additional fee – complete transition of funding.
Lots of public education required. Choices required.

Plug-in device

Flat fee

GPS and non-GPS options

In-vehicle telematics

Odometer reading

Phone

How MBUF (May) Work: Mileage Reporting
