Expiration of 50 Days: 10/27/2022

----------------	----------

### I. PAYMENT ALLOCATION DETERMINATION

This Notice is an official communication from the Directing Administrator of the National Opioid Settlements. A copy of this Notice has been sent to the Enforcement Committee and Settling Distributors pursuant to Section IV.B of the Distributor Settlement Agreement, dated as of July 21, 2021, as amended, between and among the Settling States, the Settling Distributors, and Participating Subdivisions (the "Distributor Settlement Agreement"). All capitalized terms used in this letter have the meanings ascribed to them in the Distributor Settlement Agreement.

Pursuant to Section IV.B and Exhibit M of the Distributor Settlement Agreement, Michigan's Total Payment Year 1 amount is \$26,964,875.68, which is broken down in Table 1 in Attachment 1 to this Allocation Notice.

As provided under Section V.C of the Distributor Settlement Agreement, Michigan has instructed the Directing Administrator to calculate the intrastate allocations pursuant to the Michigan State-Subdivision Agreement for Allocation of Distributor Settlement Agreement and Janssen Settlement Agreement (the "State-Subdivision Agreement"). Under this State-Subdivision Agreement, the Directing Administrator will allocate the Annual Payment as follows: (i) 50% to the State Share and (ii) 50% to Local Government Share less deductions from the Local Government Share of 0.3% for the Administrative Fund, 5% for the Special Circumstances Fund, and the holdback for the Litigating Local Government Attorney Fee Fund as described in Section II.9.b of the State-Subdivision Agreement. Michigan's State-Subdivision Agreement further provides for accelerated payments for certain Participating Subdivisions that would otherwise receive *de minimis* shares. These accelerated payments are to be reallocated from the State Share in Payment Year 1. The intrastate allocations are included as Attachment 1 to this Allocation Notice. The Michigan State-Subdivision Agreement can be viewed at: [michigan.gov/agopioids](http://michigan.gov/agopioids).

Undisputed amounts allocated to the State Share and the Local Government Share for the listed Participating Subdivisions will be paid no later than the date that is 50 days after the date of this Allocation Notice. Under the State-Subdivision Agreement, amounts allocated to Non-Participating Subdivisions under the Local Government Share shall revert to the county(ies) in which the Non-Participating Subdivision is located. These reallocations are reflected in Attachment 1 to this Allocation Notice.

### II. YOUR RIGHT TO DISPUTE

Section IV.B.4 of the Distributor Settlement Agreement provides that within twenty-one (21) calendar days of receiving notice any party may dispute the calculation of the amount to be received by a Settling State or its Participating Subdivisions listed on Exhibit G as inconsistent with the terms of the Agreement. Written notice must be provided to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and the Settling Distributors identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

A party has until the Deadline to Dispute Allocation listed at the top of this Allocation Notice to deliver a written notification of dispute. The amounts listed in this Allocation Notice will be deemed accepted if the Directing

Administrator has not received a party's dispute before midnight Eastern Time on the deadline date. Submit your written request by email to [DirectingAdministrator@NationalOpioidOfficialSettlement.com](mailto:DirectingAdministrator@NationalOpioidOfficialSettlement.com).

Any party affected by the dispute may object to the notification of dispute. Depending on the nature of the dispute, contested disputes must be resolved in either the court that entered a state's Consent Judgment or the National Arbitration Panel. The Directing Administrator will not disburse any funds potentially affected by a contested dispute until the dispute is resolved by the court or the National Arbitration Panel.

### III. TO ACCEPT PAYMENT

If you do not dispute the payment, please create a Portal Account following instructions in the accompanying email, which will direct you to complete the Payment Election Forms and W-9 Forms to create payment instructions for any Settlement Payments.

### IV. TO REALLOCATE PAYMENT

If you wish to reallocate your portion of the allocation to another Participating Subdivision or the State Share, you may do so by emailing [DirectingAdministrator@NationalOpioidOfficialSettlement.com](mailto:DirectingAdministrator@NationalOpioidOfficialSettlement.com) before the Deadline to Dispute Allocation included on the Allocation Notice. The Directing Administrator will not treat a reallocation request as a dispute.

Sincerely,

BrownGreer PLC  
Directing Administrator

### V. SPECIAL CIRCUMSTANCES FUND

#### **DEADLINE: October 28, 2022**

A Special Circumstances Fund was created by the State-Subdivision Agreement. Local Governments, as defined by the State-Subdivision Agreement, may apply for additional opioid abatement funding to address a special circumstance of the opioid epidemic not captured by the metrics used to calculate the local government's allocation percentage. The metrics can be viewed here: [michigan.gov/agopioids](http://michigan.gov/agopioids). **The deadline for applying is October 28, 2022. Please note that if you hire an attorney to complete your application, your Local Government is responsible for those attorney fees.**

If your Local Government wishes to apply to the Special Circumstances Fund, you must:

1. Prepare a written statement of no more than 15 double spaced pages, including attachments, that:
  - a. Identifies the Local Government upon whose behalf the submission is being made, with the name, telephone number and email address of an individual who should be contacted in the event there are any follow up questions; and
  - b. Explains the special circumstance not captured by the allocation metrics that warrants the Local Government receiving additional funding.

# National Opioid Settlements

2. Submit the written statement, via email, to [scheduling@mijadr.com](mailto:scheduling@mijadr.com) on or before October 28, 2022.
3. You may also elect to make an optional Zoom presentation of no more than 15 minutes to Judge Ryan on December 15, 2022. The Zoom presentation is not required and applicants who elect not to make a presentation will not be penalized for failing to do so. If you are interested in scheduling a presentation, you must contact [scheduling@mijadr.com](mailto:scheduling@mijadr.com).
4. Application to the Special Circumstance Fund may not be made with the express purpose of offsetting the State-Subdivision Agreement's Litigation Adjustment.

The Honorable Daniel Ryan, former Wayne County Circuit Judge, has been selected to review Local Government applications and decide allocations from the Special Circumstances Fund. Further questions about Special Circumstances Fund applications should be directed to your attorney or to [ag-opioidlitigation@michigan.gov](mailto:ag-opioidlitigation@michigan.gov).
