### I. PAYMENT ALLOCATION DETERMINATION

This Notice is an official communication from the Directing Administrator of the National Opioid Settlements. A copy of this Notice has been sent to the Enforcement Committee and Settling Distributors pursuant to Section IV.B of the Distributor Settlement Agreement, dated as of July 21, 2021, as amended, between and among the Settling States, the Settling Distributors, and Participating Subdivisions (the "Distributor Settlement Agreement"). All capitalized terms used in this letter have the meanings ascribed to them in the Distributor Settlement Agreement.

Pursuant to Section IV.B and Exhibit M of the Distributor Settlement Agreement, Michigan's Total Payment Year 2 amount is **\$28,338,769.79**, which is broken down in Table 1 in Attachment 1 to this Allocation Notice.

As provided under Section V.C of the Distributor Settlement Agreement, Michigan has instructed the Directing Administrator to calculate the intrastate allocations pursuant to the Michigan State-Subdivision Agreement for Allocation of Distributor Settlement Agreement and Janssen Settlement Agreement (the "State-Subdivision Agreement"). Under this State-Subdivision Agreement, the Directing Administrator will allocate the Annual Payment as follows: (i) 50% to the State Share and (ii) 50% to Local Government Share less deductions from the Local Government Share of 0.3% for the Administrative Fund, 5% for the Special Circumstances Fund, and the holdback for the Litigating Local Government Attorney Fee Fund as described in Section II.9.b of the State-Subdivision Agreement. Michigan's State-Subdivision Agreement further provides for accelerated payments for certain Participating Subdivisions that would otherwise receive de minimis shares. These accelerated payments are to be reallocated from the State Share in Payment Year 1. In subsequent Settlement Payments, the De minimis-shares will be re-allocated from the Local Governments to the State Share. The intrastate allocations are included as Attachment 1 to this Allocation Notice. The Michigan State-Subdivision Agreement can be viewed at: [michigan.gov/agopioids](http://michigan.gov/agopioids).

Undisputed amounts allocated to the State Share and Local Government for Participating Subdivisions will be paid no later than the date that is 50 days after the date of this Allocation Notice. Under the State-Subdivision Agreement, amounts allocated to Non-Participating Subdivisions under the Local Government Share shall revert to the county(ies) in which the Non-Participating Subdivision is located. These reallocations are reflected in Attachment 1 to this Allocation Notice.

### II. YOUR RIGHT TO DISPUTE

Section IV.B.4 of the Distributor Settlement Agreement provides that within twenty-one (21) calendar days of receiving notice any party may dispute the calculation of the amount to be received by a Settling State or its Participating Subdivisions listed on Exhibit G as inconsistent with the terms of the Agreement. Written notice must be provided to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and the Settling Distributors identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

# National Opioid Settlements

A party has until the Deadline to Dispute Allocation listed at the top of this Allocation Notice to deliver a written notification of dispute. The amounts listed in this Allocation Notice will be deemed accepted if the Directing Administrator has not received a party's dispute before midnight Eastern Time on the deadline date. Submit your written request by email to [DirectingAdministrator@NationalOpioidOfficialSettlement.com](mailto:DirectingAdministrator@NationalOpioidOfficialSettlement.com).

Any party affected by the dispute may object to the notification of dispute. Depending on the nature of the dispute, contested disputes must be resolved in either the court that entered a state's Consent Judgment or the National Arbitration Panel. The Directing Administrator will not disburse any funds potentially affected by a contested dispute until the dispute is resolved by the court or the National Arbitration Panel.

### III. TO ACCEPT PAYMENT

If you do not dispute the payment and you have previously created a Portal Account and completed your Payment Election Forms and W-9 Forms, no further action is needed. The Directing Administrator will begin issuing payments after the applicable deadlines have passed using the existing payment instructions. If you have not previously created a Portal Account, please do so and complete the Payment Election Forms and W-9 Forms to create payment instructions for any Settlement Payments. **Keep your payment instructions current in the Portal as the Directing Administrator will use these forms to issue settlement payments.**

### IV. TO REALLOCATE PAYMENT

If you wish to reallocate your portion of the allocation to another Participating Subdivision or the State Fund, you may notify the Directing Administrator of your intent to do so using the Direct Payment and Allocation Election screen on the Portal before the Deadline to Dispute Allocation included on the Allocation Notice. The Directing Administrator will not treat a reallocation request as a dispute.

Sincerely,

<sup>2</sup> Section II.6 of the State-Subdivision Agreement indicates that "prior to the distribution of the State Share, the National Fund Administrator shall allocate the aggregate projected recovery for all De minimis-share Local Governments from the State Share to those De minimis-share Local Governments. This allocation shall be made in the first Settlement Payment. In subsequent Settlement Payments, the National Fund Administrator shall direct distributions of all De minimis-share Local Governments to the State Share." As this is a subsequent Settlement Payment, the De minimis-shares have been re-allocated back to the State Share.

<sup>3</sup> Pursuant to Section II.7 of the State-Subdivision Agreement, if a non-county Local Government does not participate in the Settlements, then that non-county Local Government's share shall revert to the county(ies) in which it is located.
